

INTERNATIONAL CONFERENCE GEOTEC HANOI 2023

EXHIBITION INFORMATION

National Convention Center (NCC),
Hanoi • December 14 – 15, 2023

LETTER OF INVITATION

Dear Valued Customers & Partners,

Following the success of the last four events, the 5th international conference on Geotechnics for Sustainable Infrastructure Development - GEOTEC HANOI 2023 - will be organized by FECON Corporation (FECON), the Vietnam Society for Soil Mechanics and Geotechnical Engineering (VSSMGE), Japanese Geotechnical Society (JGS), Thuyloi University (TLU), and Vietnam Petroleum Institute (VPI). GEOTEC HANOI 2023 will honorably be patronized by the International Society for Soil Mechanics and Geotechnical Engineering (ISSMGE) and Japan International Cooperation Agency (JICA).

On behalf of Organizing Committee of GEOTEC HANOI 2023, we would like to invite you to join the conference as an exhibitor at National Conference Center, Hanoi, Vietnam on December 14 - 15, 2023.

GEOTEC HANOI 2023 ensures that your organization will have great opportunities to connect and do businesses with domestic and international industry leaders, governmental committees and decision-makers in the field of geotechnical and infrastructure engineering.

GEOTEC HANOI 2023 will be a comprehensive trade show for suppliers, consultants, contractors, investors, government and firms who wish to introduce their products or services to the geotechnical and civil engineer communities.

To register for exhibition, please fill up the enclosed form and returned to us by fax, email or mail. Should you have any questions or need more information, please do feel free to contact us for detail explanation.

Thank you in advance for your cooperation and we do look forward to hearing from you soon.

Yours sincerely,

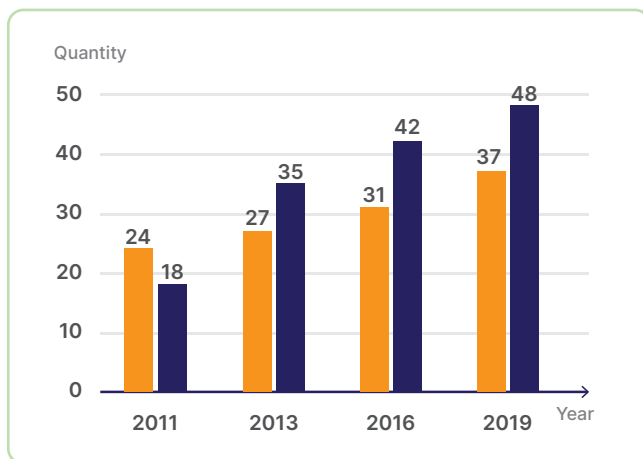

Pham Viet Khoa

Chairman Organizing Committee

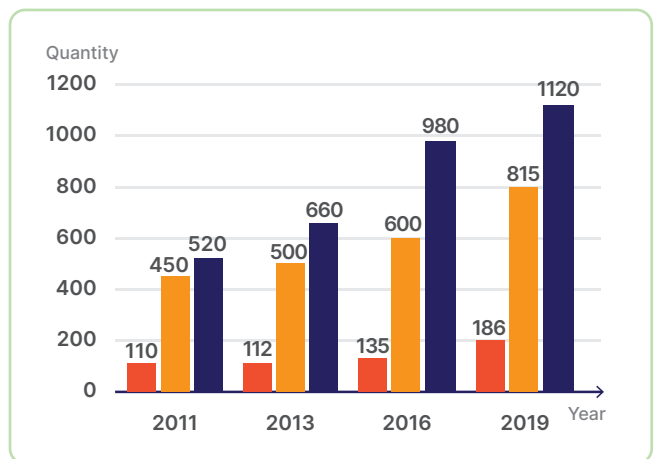

Why exhibiting at GEOTEC HANOI 2023?

- 1** GEOTEC HANOI has become a well-known event not only in Vietnam but also in the world for its excellent quality and organizational scale as well as exciting exhibition and communication.
- 2** The success of the event is increasing year by year considering number of published papers, attendees, visitors, booths from different countries and territories. Some statistic records of the event over the last three times are given below.
